Dear Friends,
If it seems to you that many retailers are becoming more "upscale" you're right. Often

Tstraight talk

"upscale" also means much higher prices. At Sears we believe it is possible to

offer you **quality fashion and satisfaction guaranteed** without charging you extra.

For several years now we've worked hard to raise the level of quality in every aspect of our fashion business, from product design to delivery.

We think you'll agree that the fashion at Sears is better than ever. And with our **toll-free 24-hour orderline**, home delivery anywhere in the U.S., and now the option of Federal Express delivery, you won't find better service.

But there is one thing we haven't changed—

our commitment to offering you **low prices every single day.**

We feel **giving you**

your money's worth is one thing that will never go out of style.

Sincerely,

Everett L. Buckardt
President
